Discover the 2021 Thematic Networks!

The kick-off meeting of the 2021 Thematic Networks has just been held, with network leaders presenting the first drafts of their joint statements:

- The Association of Schools of Public Health in the European Region (ASPHER) presented the thematic network on “Climate and health education in Europe”.

- The European Association of Health Law's Interest Group on Supranational Biolaw presented the thematic network “Towards an inclusive pharmaceutical strategy for the EU”.

- The European Nutrition for Health Alliance presented the thematic network “Integrated Nutrition Cancer Care”.

Thematic network leaders also met with European Commission officials for the first time and received training on the EU Health Policy Platform’s main features.

Would you like to learn more about these networks and their joint statements? Would you like to participate in the joint statement process? Register now in the EU Health Policy Platform! https://webgate.ec.europa.eu/hpf/networks. You will find all the networks and their presentations there.

Stay tuned and keep a close eye on the EU Health Policy Platform newsletter! Live webinars will be organised soon on the different subjects and announced there.

The EU Health Policy Platform hosts several annual thematic networks led by health stakeholder organisations. During the annual cycle, leaders prepare Joint Statements on prioritised health topics, and with other Platform members wishing to participate in the process and through a number of live webinars, they finally present them at the EU Health Policy Platform annual meeting.
