<p style="text-align: center;">Scientific Committee on Consumer Safety (SCCS) Meeting of the Working Group on Methodologies</p>

19 April 2018, Luxembourg

MINUTES

1. Welcome and apologies, approval of the agenda and declaration of interests

The Chair welcomed the participants, in particular the representative from SCHEER and three invited external experts on inhalation exposure. There were no apologies.

The agenda was adopted.

The minutes of the previous meeting held on 21 March were endorsed by the group and published on the website on 10 April 2018.

The Chair invited participants to declare any interest regarding matters on the agenda. None of the participants declared any interest conflicting with the matter on the agenda.

2. List of points discussed and conclusions

- **Morning session on inhalation exposure - with invited AD-HOC external experts**

Presentations from:

Prof. Dr J. Pauluhn: Inhalation methodology in general: knowledge and methodology needed for inhalation risk assessment

Dr Ing. K. Schwarz: Characterisation of inhalation exposure to nanomaterials from cosmetic products

Dr O. Creutzenberg: Nano toxicology: differences from conventional chemicals

- **Afternoon session – with SCCS members of the WG on methodology only**

Notes of Guidance update

Contributions were received from members to revise the Notes of Guidance for the testing of the cosmetic ingredients and their safety evaluation. Additional tasks have been distributed among members. Contributions will be compiled and discussed at the next meeting (17 May).
