*Health and Food Safety*

"*If we could give every individual the right amount of nourishment and exercise, not too little and not too much, we would have found the safest way to health.*" – Philosopher Hippocrates. Two millennia later, that ancient wisdom holds as true as ever.

### At a glance

The 2020 EU Health Award will recognise and reward initiatives of cities and schools that contributed seeking to promote healthy lifestyles for children (from 6 to18 years old).

Practices submitted under this call must not have ended before **1 January 2017**. These initiatives may be have already ended or may still be ongoing at the time of the launch of the call for applications.

Initiatives could include, for example, actions promoting a healthy diet, raising awareness on healthy body weight and working to prevent the use of tobacco, particularly to prevent young people from smoking.

### Who is eligible?

• Any city with more than 30 000 inhabitants. In countries where there is no city with more than 30 000 inhabitants, the largest city is eligible to apply.
• Any primary or secondary school whose initiatives are aimed at children from 6 to 18 years old.
