Subject: 72nd Pharmaceutical Committee - Action points

Dear Madam, Dear Sir,

Here are the comments of Cyprus:

(...)

Agenda point: AOB 2. Update on external study on availability

Action: Submit comments on the study and, as applicable, an up-to-date list of products authorised under Article 126a* (comments will be subsequently published with the study report)

Actor: Member-States that did not yet reply

Deadline: 30 April 2014

*** see email from SANCO-PHARMACEUTICALS-D5 to the Pharmaceutical Committee of 24 February 2014**

The report adequately reflects the situation in Cyprus as most of the information was provided mainly by the Pharmaceutical Services.

It may be useful as an instrument for future policies on management medicinal products's availability issues.
