Subject: Adoption of legal proposal on veterinary medicines

Agenda item 7b

Background

On 10 September 2014 the Commission adopted a proposal on veterinary medicinal products and medicated feed:

- Proposal for a Regulation of the European Parliament and the Council on veterinary medicinal products;
- Proposal for a Regulation of the European Parliament and the Council amending Regulation (EC) No 726/2004 laying down Community procedures for the authorisation and supervision of medicinal products for human and veterinary use and establishing a European Medicines Agency;
- Proposal for a Regulation of the European Parliament and the Council on the manufacture, placing on the market and use of medicated feed and repealing Council Directive 90/167/EEC.

The above documents are available on: http://ec.europa.eu/health/veterinary-use/rev_frame_index_en.htm.

The Italian Presidency of the Council scheduled a first Working Party meeting on the proposal on 9 October 2014.
