

Luxembourg, 10 February 2023

Scientific Committee on Consumer Safety (SCCS) Meeting of the Working Group on Methodologies

1st February 2023, Luxembourg

Minutes

1. Welcome and apologies, approval of the agenda and declaration of interests

The SCCS Chair welcomed the participants.
One apology was received and two for ½ day.
The agenda was adopted without changes.

The minutes of the previous meeting held on 21 December 2022 were endorsed by written procedure by the WG members and published on the website:
[SCCS - Minutes - working groups 2016 - 2021 \(europa.eu\)](#)

The Chair invited participants to declare any interest regarding matters on the agenda. None of the participants declared any interest conflicting with the matter on the agenda.

2. External presentation of New Generation Risk Assessment (NGRA) from Cosmetics Europe with invited experts (open session)

Presentation by invited speakers:

An internal presentation was made by invited AD-HOC experts in the field of NGRA. The experts gave an overview of the results of their research work and illustrated their talk with an exposure case-study.

Observers from [Cosmetics Europe](#) and [IFRA](#) participated in the meeting.

An interesting discussion took place and the SCCS thanked them for sharing their conclusions.

Next steps: the experts welcomed the SCCS comments and the SCCS will be kept informed about their future work.

3. Information from chairman/members/commission (SCCS internal session only)

One member shared the presentation made on genotoxicity during the OECD conference in Paris: [Future-proof Approaches for Risk Governance](#) where results from EU granted projects NANORIGO/RiskGONE/Gov4NANO were presented.

4. 12th Revision of the SCCS Notes of Guidance

The chair presented additional contributions received from the members and some sections were discussed/agreed on. The draft document will be finalised for adoption during March plenary meeting.
