#Webinar: Intermediate event by the Health Workforce Projects Cluster

"Fighting access to health inequalities by improving health worker retention and task shifting policies"

The EU Health Policy Platform hosted the webinar "Intermediate event by the Health Workforce Projects Cluster on Fighting access to health inequalities by improving health worker retention and task shifting policies" on Tuesday 29 March from 14.30 to 16.30 CEST, Brussels time, where the first results of these projects were presented.

- The **presentations** are available on the EU Health Policy Platform – Agora network. To access, please register first following this [link](#) (use/create your EU login). Once your request of access has been approved, you will receive a confirmation email. You will then be able to have a look to the presentations, available in this [post](#) on the Platform.
- **Watch the recording until 5 April**, available under this [link](#). Use this password to watch it: @HPP_webinar2022

The aim of this webinar was to share information on the progress of the projects that aim to provide supporting tools, practical guidelines and to improve sharing of best practices that can help Member States to design and implement their policies related to health workforce retention, task-shifting and tackling regional medical deserts. Contribution from key stakeholders to the policy dialogue is essential to advance on these challenging issues.

The Health Workforce Projects Cluster covers five EU co-funded projects under the umbrella of the 3rd Health Programme. The projects focus on three key topics - medical deserts, task shifting and retention policies - that will be investigated thoroughly and internationally in the coming years.

Projects of the Health Workforce Projects Cluster:

Action for Health and Equity - Addressing Medical Deserts: AHEAD

MEnTal hEalth: fOCUS on Retention of healthcare workers: METEOR

prOmoting evidence-bASed rEformS: OASES

Empowering EU health policies on Task SHifting: TaSHI

A Roadmap OUT of mEdical deserts into supportive Health WorkForce initiatives and policies: ROUTE-HWF
