

**Scientific Committee on Health, Environmental and Emerging Risks
(SCHEER)**

Meeting of the Working Group on safety of PIP silicone breast implants and a possible association between breast implants and anaplastic large cell lymphoma

Venue: HITEC building, Rue Eugène Ruppert 11, L- 2453 Luxembourg

Meeting date: 12 January 2017

Minutes

1. Welcome and apologies

The Chair welcomed the participants. All members of the WG joined the meeting. The representatives of DG GROW joined the meeting by audio.

2. Adoption of the agenda

The agenda was adopted without changes.

3. Declaration of interests on matters on the agenda

The Chair requested participants to declare any interest on the matters on the agenda. None of the participants made a declaration of any conflict of interest.

4. Discussion on the draft scientific advices

The WG agreed on the final text of the scientific advice on safety of PIP silicone breast implants. The Chair distributed additional tasks among experts and agreed with them the planning of the remaining work necessary to finalise the scientific advice on possible association between breast implants and anaplastic large cell lymphoma. Both scientific advices will be sent to the SCHEER for adoption during the plenary meeting scheduled on 2 February.

5. Any Other Business

Next meeting of the WG: 25 January 2017 (Audio).
