

First meeting of the HERA Joint Industrial Cooperation Forum

13 July 2022, 15.00 to 17:00, online

Participants:

Members of the forum and HERA and DG GROW representatives.

Summary:

The first meeting of the JICF was well attended by both industry and Member States representatives. DG GROW Task Force for Industrial Scale Up of COVID-vaccines shared lessons learned from the COVID-19 pandemic and HERA presented its structure and key action areas from its workplan, where JICF support would be welcomed. Attendees shared several ideas, reflecting on lessons learned from the COVID-19 pandemic on how to work together between Member States, industry and the Commission to be better prepared for the next health crisis.

Agenda:

1. Introduction
2. Lessons learned from the COVID-19 pandemic for the provision of medical countermeasures
3. HERA priorities
4. AOB
