Subject: RE: 72nd Pharmaceutical Committee - Action points

Dear Madam, dear Sir,

Concerning [agendapoint AOB 2](#). Update on external study on availability, we have one comment: on page 22 it is mentioned that the proportion prescription vs non prescription medicines is 88% vs 12, while in fact it is 90, 5% vs 9, 5%.

My excuses for the delay in communicating.

(...)

Kind regards,

Els Geeraerts
