

Scientific Committee on Consumer Safety (SCCS)

WG on 'Nanomaterials in Cosmetic Products'

Luxembourg

Minutes meeting of 31 October 2014 - AUDIO

- 1. Welcome and apologies**
The Chair welcomed the participants. Four apologies were announced by the Chair.
- 2. Adoption of the agenda**
The agenda was adopted as it was presented.
- 3. Declaration of interest on matters on the agenda**
No potential risk of conflict of interest was declared by participants.
- 4. Information from Chair/Members/Commission**
The Chair informed the group about his participation in ECHA workshop on nanomaterial on 23-24/10 in Helsinki.
- 5. TiO₂ – submission 2014**
A short report on the ad-hoc contribution done by an external expert was made.
The SCCS response to the management unit (SANCO B2) was adopted at the plenary meeting (23/09) and send to SANCO B2.
- 6. Silica – follow-up**
A Rapporteur was appointed and tasks distributed for drafting the opinion.
- 7. Hydroxyapatite**
Questions to applicants were adopted at the plenary meeting. They were sent out to the respective applicants, as well as through the CPNP portal. Six months delay has been given to the applicants to reply, i.e. by 06/05/2015.
- 8. S79 UV filter – MBBT**
A question to the applicant was asked via the management unit and the reply will be discussed at the next working group meeting.
- 9. Clarification request from Member States on the meaning of the term “sprayable applications/products” for the nano forms of carbon Black, TiO₂ and ZnO.**
The opinion received comments and the SCCS responses are being prepared. Further discussion is needed at the next working group meeting.
- 10. Any other business**
Next meeting is planned on 01/12/2014.
