

## Agenda

### **6<sup>th</sup> Meeting of the eHealth Network 18 November 2014**

**Venue: Albert Borschette Conference Centre, room AB-2C Rue Froissart 36, Brussels.**

#### **Chairs:**

**Clemens-Martin Auer, Director General, Federal Ministry of Health, Austria  
Andrzej Jan Rys, Director Health systems and products, DG Health and Consumers**

**09.30 – 10.00 Registration**

**10.00 – 10.15 Opening**

**10.15 – 11.30 Topic 1: Adoption of guidelines on ePrescription**

#### For adoption:

Guidelines on the electronic exchange of prescriptions across borders

Attached document:

- ePrescription Guidelines (1a)

**11.30 – 12.15 Topic 2: Update on Connecting Europe Facility (CEF)**

#### For information:

The CEF is a financing instrument used to fill the missing links in digital services. The eHealth Network requested also eHealth services to be taken into account in CEF work plan 2015 (and onwards). The Chairs and the European Commission will give an update about developments.

No background documents.

**12.15 – 13.00 Topic 3: Upkeep of cross-border services**

#### For discussion:

During the eHealth Network meeting in May 2014 in Athens, a sub-group was formed to restart the services running under epSOS. The sub-group will present its deliverables. The following elements will be discussed:

- a. Report from sub-group chair and Temporary Legal Agreement
- b. Discussion document on sustainable legal basis for a cross-border exchange
- c. Results of the Legal Study on Electronic Health Records

Attached documents:

- Temporary Legal Agreement (3a)
- Discussion paper on sustainable legal agreement (3b)
- Annexes of discussion paper on sustainable legal agreement (3c)

**13:00 – 14.00 Lunch**

A lunch is arranged for all participants of the eHealth Network.

**14.00 – 15.00 Topic 4: Discussion on patient registries guidelines**

For discussion:

Report from the PARENT Joint Action (Joint Action on Patient Registries) and a discussion on the summary of patient registries guidelines.

Attached document:

- Discussion paper and summary of patient registries guidelines (4a)

**15.00-16.00 Topic 5: Standardisation process and eHealth**

For decision:

1. Proposal from EC concerning activities of the eHealth Network in eHealth standardisation.
2. Proposal from EC to start a process to develop a European Standard based on specific items in the Patient Summary guidelines.

Attached document:

- Discussion paper on the role of the eHealth Network in standardisation activities (5a)

**16.00 – 16.30 Topic 6: Report on mHealth Green Paper responses**

For information:

The EC launched consultation on existing barriers and issues related to mHealth deployment. A summary of the responses, and possible next steps, will be presented to the eHealth Network.

No background documents.

**16.30 – 17.15 Topic 7: Information points**

For information:

General information points. Among them the following:

- a. New eHealth Joint Action
