Tuesday 26 April 2022, 14.00 – 15:30 CEST, Brussels time

Dear Health Policy Platform and other colleagues,

We invite you to join:

Open Virtual Meeting of the "Supporting Ukraine, neighbouring EU Member States and Moldova" HPP Network

The Co-Chairs and Liaisons of the "Supporting Ukraine, neighbouring EU Member States and Moldova" Health Policy Platform Network are pleased to invite you to an open webinar on **Tuesday 26 April 2022 from 14:00 to 15:30 CEST.**

As previously mentioned in their introductory post on the Health Policy Platform, the Co-Chairs and their Liaisons have been appointed to stimulate and propose concrete actions with the input and support of other member organisations of this Network, across healthcare.

The aim of this meeting will be to update you on the different activities undertaken to help Ukrainian patients and healthcare professionals as well as the neighbouring EU Member States and Moldova receiving Ukrainian refugees and, most importantly, to receive your feedback on:

- Difficulties your organisation is currently encountering
- The help your organisation can offer
- Capacity, access and workforce issues in Healthcare systems in neighbouring EU Member States and Moldova

We are looking forward to an interactive and action-focused meeting. Please share your response to the above three points in advance by leaving your comment on the news item published on the Health Policy Platform here.

Best wishes,

Paul De Raeve, Network Co-Chair & Secretary General, European Federation of Nurses Associations (EFN)
