**Second #Webinar: Workshop on Integrated Nutrition Cancer Care**

**“An indispensable part of multidisciplinary patient-centred cancer care and how to achieve it”**

The webinar on "Integrated Nutrition Cancer Care" took place on Wednesday 9 March 2022, 11.00 - 12.30 CET, Brussels time.

- The **presentations** are available on the EU Health Policy Platform – Agora network. To access, please register first following this [link](#) (use/create your EU login). Once your request of access has been approved, you will receive a confirmation email. You will then be able to have a look to the presentations, available in this [post](#) on the Platform.
- **Watch the recording until 16 March**, available under this [link](#). Use this password to watch it: @HPP\_webinar2022

Description of this webinar:

In this workshop, ENHA presented the preliminary Joint White Paper on how to integrate nutrition as part of European and national guidelines and policies for high-quality cancer care, by having science and policy go hand in hand.

All network participants are encouraged to help shape and develop a set of principles to use as a foundation for follow up actions, by joining the Thematic Network and watching this workshop.
