1st Meeting of the Working Group on the update of the guidelines on the benefit-risk assessment of the presence of phthalates in certain medical devices.

21 April 2023

Minutes (AUDIO)

1. Welcome and apologies

The Chair welcomed the participants who attended the audio meeting. All members of the WG joined the meeting.

2. Adoption of the agenda

The agenda was adopted without changes.

3. Declaration of interests on matters on the agenda

The Chair invited participants to declare any interest regarding matters on the agenda. None of the participants declared any interest conflicting with the matters on the agenda.

4. Discussion on the mandate, work to update the guidelines, expert needs, literature search, and allocation of tasks/timeline

The mandate was discussed by the members to focus the work. The WG identified additional expertise needed for the work of the WG and requested the involvement of other EU Agencies. Some tasks were allocated among the WG members already. A literature search and a call for information are planned to be launched soon.

5. Any Other Business

Next meeting will be on 13 June.
