CHRODIS+

IMPLEMENTING GOOD PRACTICES FOR CHRONIC DISEASES

CHRODIS PLUS Joint Action

Cooperation with SGPP

Ministry of Health, Italy

14.02.2019

CHRODIS PLUS IS A HIGH LEVEL RESPONSE BY THE EU TO SUPPORT MEMBER STATES BY STEPPING UP TOGETHER AND SHARING BEST PRACTICES TO ALLEVIATE THE BURDEN OF CHRONIC DISEASES. THIS THREE-YEAR INITIATIVE (2017-2020) UNDER THE THIRD HEALTH PROGRAMME (2014-2020) IS FUNDED BY THE EUROPEAN COMMISSION AND THE PARTICIPATING PARTNER ORGANISATIONS.

In CHRODIS PLUS 42 partners, representing 21 European countries, collaborate to implement pilot projects and generate practical lessons in the field of chronic diseases.

Come and **JOIN US** at the upcoming

Chrodis Plus Conference

on **14-15 May 2019**
in **Budapest, Hungary**

WP4 - Integration in National Policies and Sustainability

TASK 4.4: Consensus Statement and Report on the Integration in National Policies and Sustainability

Co-funded
by the Third Health Programme
of the European Union

WP4 Objectives (from GA)

- General objective
 - To support Member States on the implementation of new or innovative policies and practices for empowerment, health promotion and prevention, management of chronic diseases and multimorbidity.
- Specific objectives:
 1. To support the development and adoption of national, regional and local policies related to health promotion, prevention and innovative management of chronic diseases in their various settings through policy dialogues.
 2. To support sustainable action planning of Member States to tackle chronic diseases
 3. Reach consensus of a final position paper (“Consensus Statement”) concerning the EU added value of cross-country collaboration in the field of health promotion and prevention and management of chronic diseases and the sustainability of the results from JA-CHRODIS and CHRODIS-PLUS beyond 2020.

Task leader: Ministry of Health – Italy
Task co-leader: Regional Ministry of Health of Andalusia

Task 4.4: Consensus Statement and Report on the Integration in National Policies and Sustainability (from GA)

Task: To prepare a consensus statement concerning

1. the EU added value of **cross-country collaboration** in the field of CD
2. and the **sustainability** of JA-CHRODIS and CHRODIS-PLUS beyond 2020.

Functional requirements

A. The document will

- be based on **lessons-learnt** from the JA-CHRODIS,
- making use of the inputs and **conclusions from others tasks** of the WP4,
- and other **WPs outputs** of CHRODIS-PLUS.

B. The Document must include **an analysis** on

1. the **integration** in national policies
2. **sustainability** of JA-CHRODIS and CHRODIS-PLUS proposals beyond 2020.
3. MS Priorities on CDs control after 2020

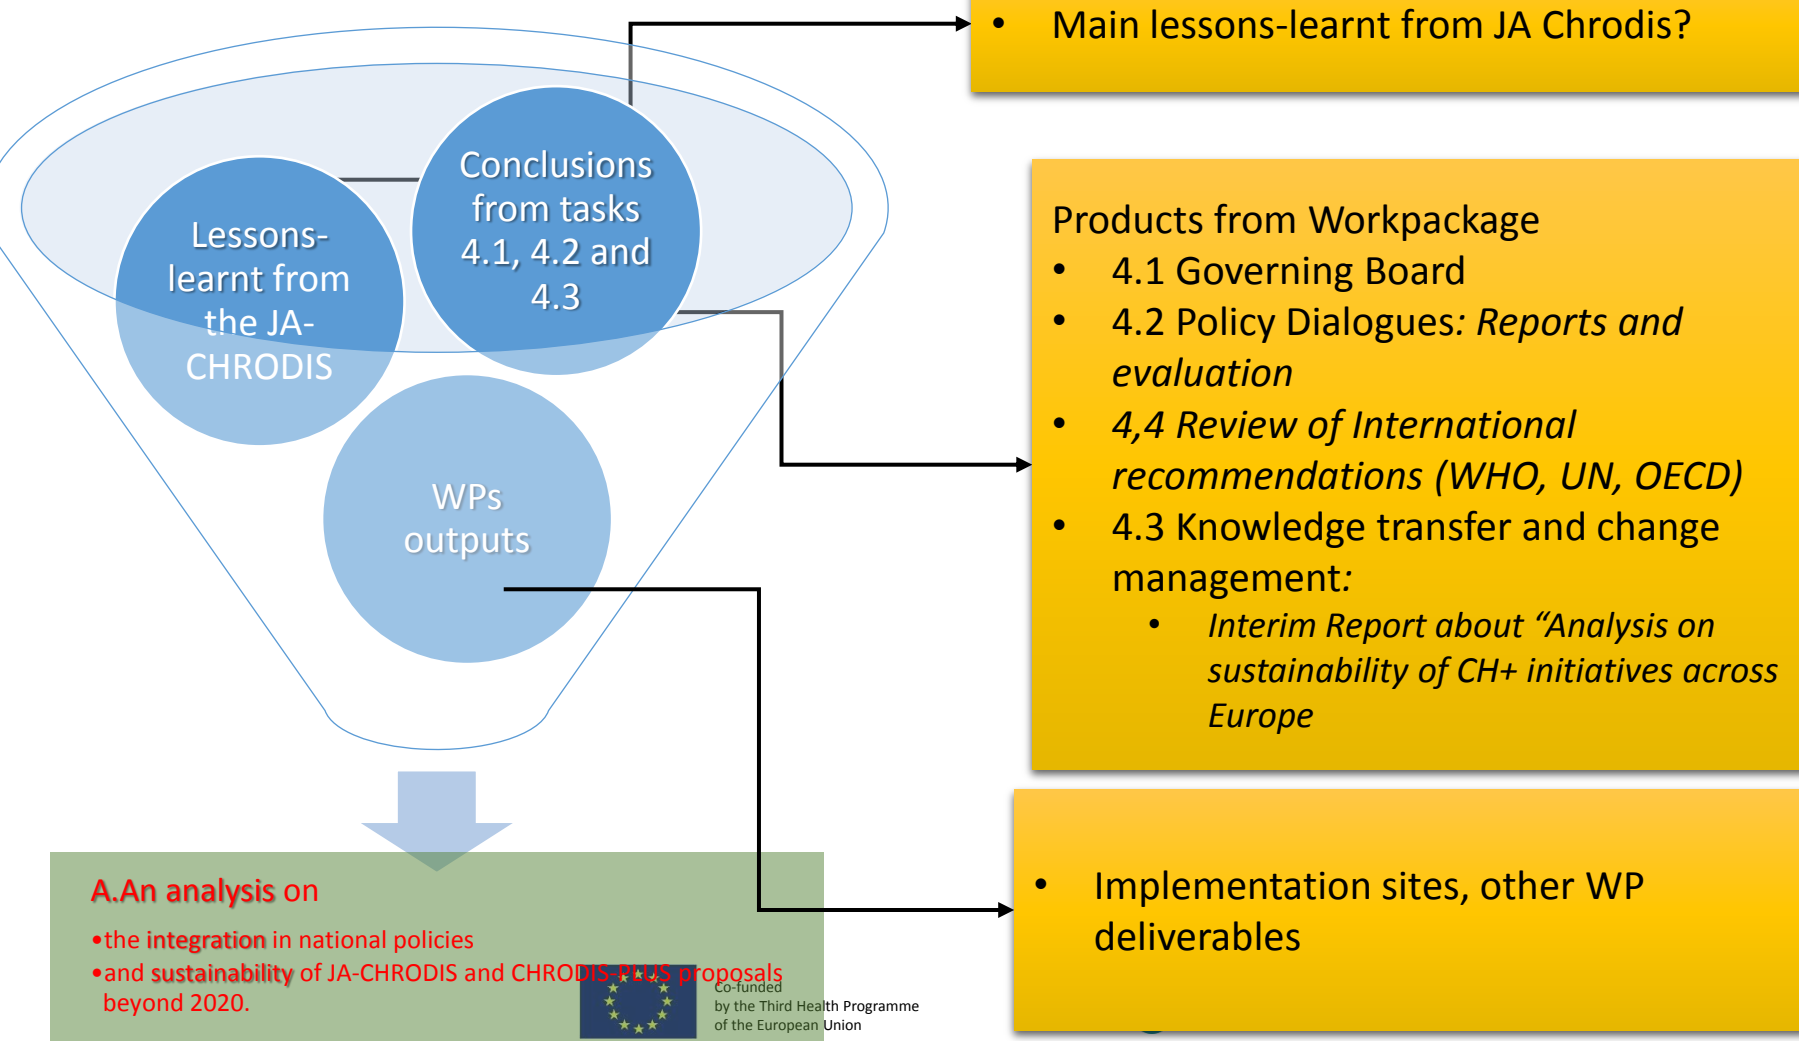

C. The document will also include a Consensus Statement proposal concerning the **EU added value of cross-country collaboration** in the field of CD.

Co-funded
by the Third Health Programme
of the European Union

Gathering the knowledge

Opportunity for all: why do we need MS?

- **To gather their needs and perspectives**
- **To understand how EU cooperation could match local organization and support implementation of good practices**
- **To become aware of challenges and to define priorities**

MS representatives : SGPP or GB?

- **GB mandate limited to project purposes**
- **GB agenda fully booked to review project deliverables**
- **Potential higher impact of SGPP endorsement**
- **GB will continue to be informed and able to contribute**

An index proposal (VERY TENTATIVE)

1. **Vision on exchanging good practices on CD among EU MSs**
2. **Priority action areas**
3. **Sustainability, integration on national policies and EU added value**
4. **Policy targets (consensus statement)**
5. **Operational advices and suggestions**
6. **Strategy to achieve the sustainability and integration on national policies (action plan)**

Time planning

- **February '19 : presentation to SGPP**
- **Before Summer '19: MS e-survey ; first meeting (Webinar) in order to gather inputs (content of the sections andsources); definition of on-line tools**
- **September '19: Draft structure ready (SGPP consulted on-line)**
- **October '19: First draft ready for circulation among SGPP**
- **November '19: Ad hoc meeting (back to back with SGPP)**
- **By January-February '19: Final draft ready**
- **Spring '20: Endorsement by SGPP**

Additional opportunity: becoming writers?

- **Policy experts and «policy oriented» officers**
- **Who wish collaborating voluntarily with us, bringing their experience, sharing their knowledge, analysing what we already produced**
- **And co-writing the consensus statement (stunning incentives foreseen) !**

IMPLEMENTING GOOD PRACTICES FOR CHRONIC DISEASES

Thank you for your attention

CHRODIS PLUS

The Joint Action implementing good practices for chronic diseases

This presentation is part of the CHRODIS PLUS Joint Action. This Joint Action addresses chronic diseases through cross-national initiatives identified in JA-CHRODIS, in order to reduce the burden of chronic diseases while assuring health system sustainability and responsiveness, under the framework of the Third Health Programme (2014-2020). The content of this presentation is the sole responsibility of the author. Consumers, Health, Agriculture and Food Executive Agencies cannot be held liable for any use of the information contained within this document.
