

# HTA & Horizon Europe

#HorizonEU

The HTA Network 27 October 2020  
Maria Pilar AGUAR FERNANDEZ  
Annika STJERNQUIST  
DG Research & Innovation

# Outline

**Ongoing HTA projects**

**Horizon Europe (following H2020)**

**Partnerships under Horizon Europe**

# Ongoing HTA projects under H2020

## IMPACT HTA

- understanding variations in costs and health outcomes
- integrating clinical and economic data to improve methods in economic evaluation in HTA

## PECUNIA

- new methods and tools for the assessment of costs and outcomes
- data to provide direct comparable solutions to improve chronic and mental healthcare

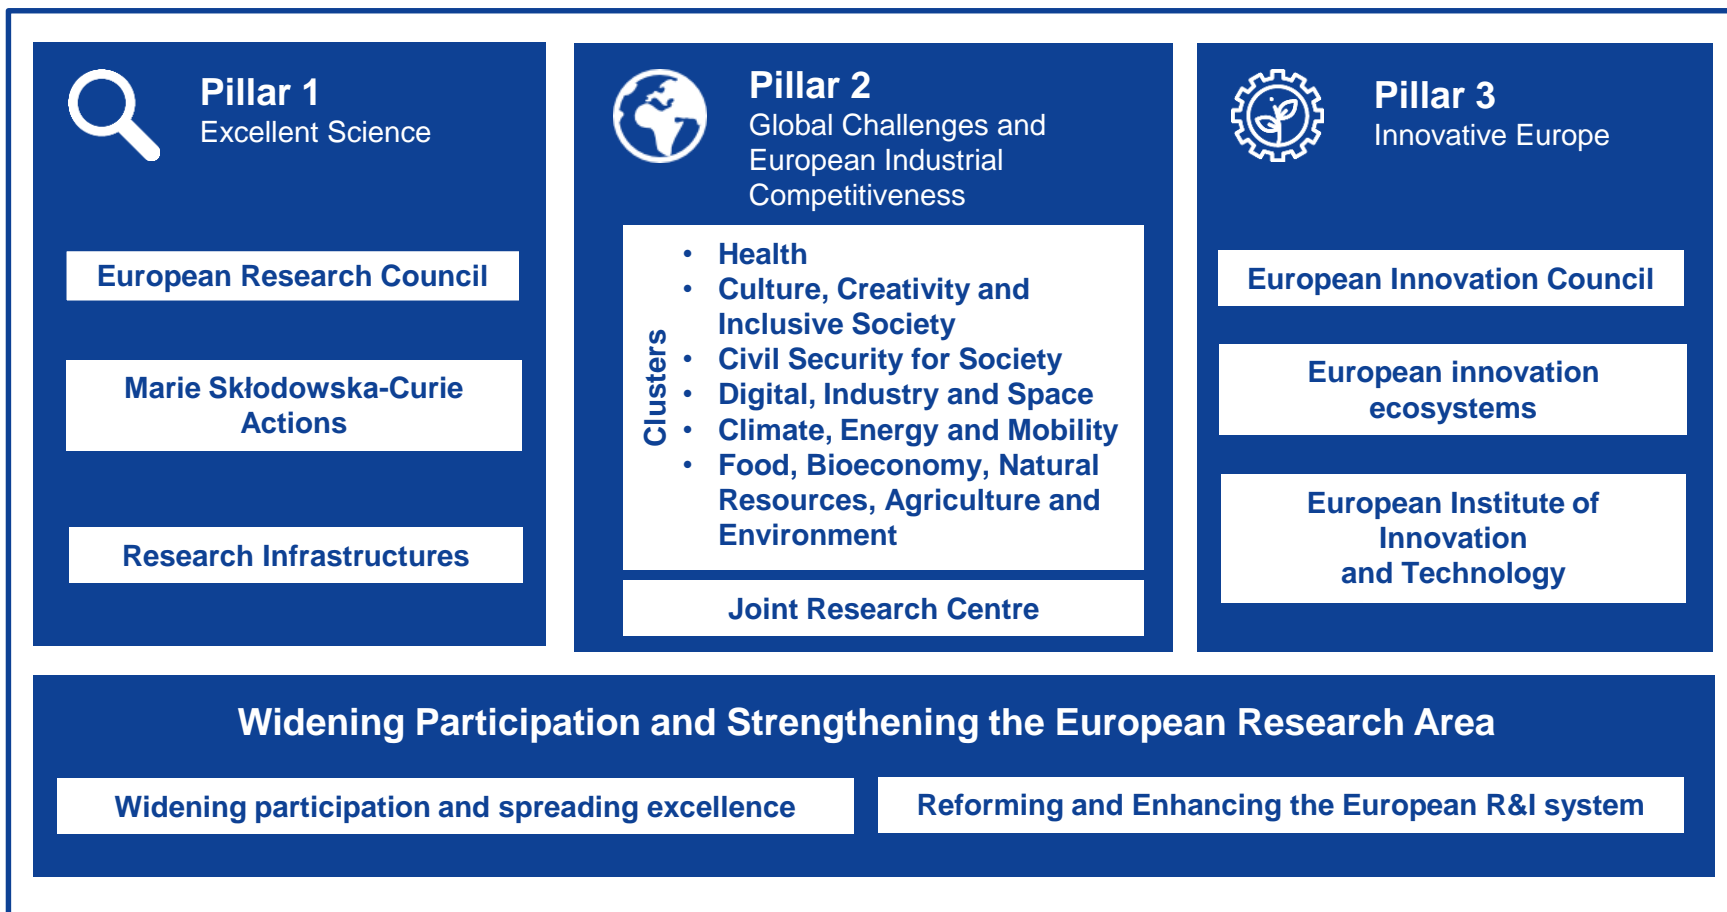

## COMED

- methods for cost and outcome analysis of healthcare technologies for medical devices

## HTx

- framework for HTA to support patient-centered, societally oriented, real-time decision-making on access and reimbursement of health technologies

# Horizon Europe 2021-2027: Prel. structure

# Pillar II: Health – the Health cluster is supported by six main areas of intervention

Health throughout the Life Course

Environmental and Social Health Determinants

Non-communicable and Rare Diseases

Infectious diseases

Tools, Technologies and Digital Solutions for Health and Care

Health Care Systems

## *Orientations towards the first Strategic Plan 2021-2024*

# Targeted Impacts of the Health Cluster

1. Staying healthy in a rapidly changing society;
2. Living and working in a health-promoting environment;
3. Tackling diseases and reducing disease burden;
4. Ensuring **access to innovative, sustainable and high-quality healthcare**
5. Unlocking the full **potential of new tools, technologies and digital solutions for a healthy society**
6. Maintaining an **innovative, sustainable and globally competitive health industry**

# Strategic plan gives direction to the work programme

## Main Features

Early involvement and extensive exchanges with Member States

Extensive exchanges with the European Parliament

Consultations with stakeholders and public at large

# New approach to European Partnerships

New generation of objective-driven and more ambitious partnerships in support of agreed EU policy objectives

## Key features

- **Simple architecture and toolbox**
- **Coherent life-cycle approach**
- **Strategic orientation**

**Co-programmed**

**Co-funded**

**Institutionalised**

# Health Cluster Partnership Candidates

## Institutional Partnerships (Article 185 and Article 187 TFEU)

2021 - Innovative Health Initiative (ex-IMI2)

2021 - EU-Africa Global Health (ex-EDCTP2)

## Co-funded Partnerships

2021/22 - Partnership on Assessment of Risk of Chemicals (PARC)

2022/23 - Transforming Health and Care systems

2023/24 - Personalised Medicine

2023/24 - Rare Diseases

2024/25 - One Health AMR

2024/25 - Fostering an ERA for Health research

# The Innovative Medicines Initiative (IMI)

## IMI-1 (7<sup>th</sup> Framework Programme 2008 - 2013)

- Goal: improve the efficiency and effectiveness of the **drug development process**
- Budget: €2 billion.

## IMI-2 (Horizon 2020 2014 - 2020)

- Goal: advance the development of **personalised medicines** and accelerate **patient access**
- Budget: €3.3 billion.

**And now?**

# Proposal: the Innovative Health Initiative(IHI)\*

Main recommendation from the interim evaluation of IMI2:

*'enable the active engagement of other industry sectors with the pharmaceutical industry to capitalise on their expertise in the development of new healthcare interventions'*

## Members of the IHI (Horizon Europe 2021-2027)

### Industry

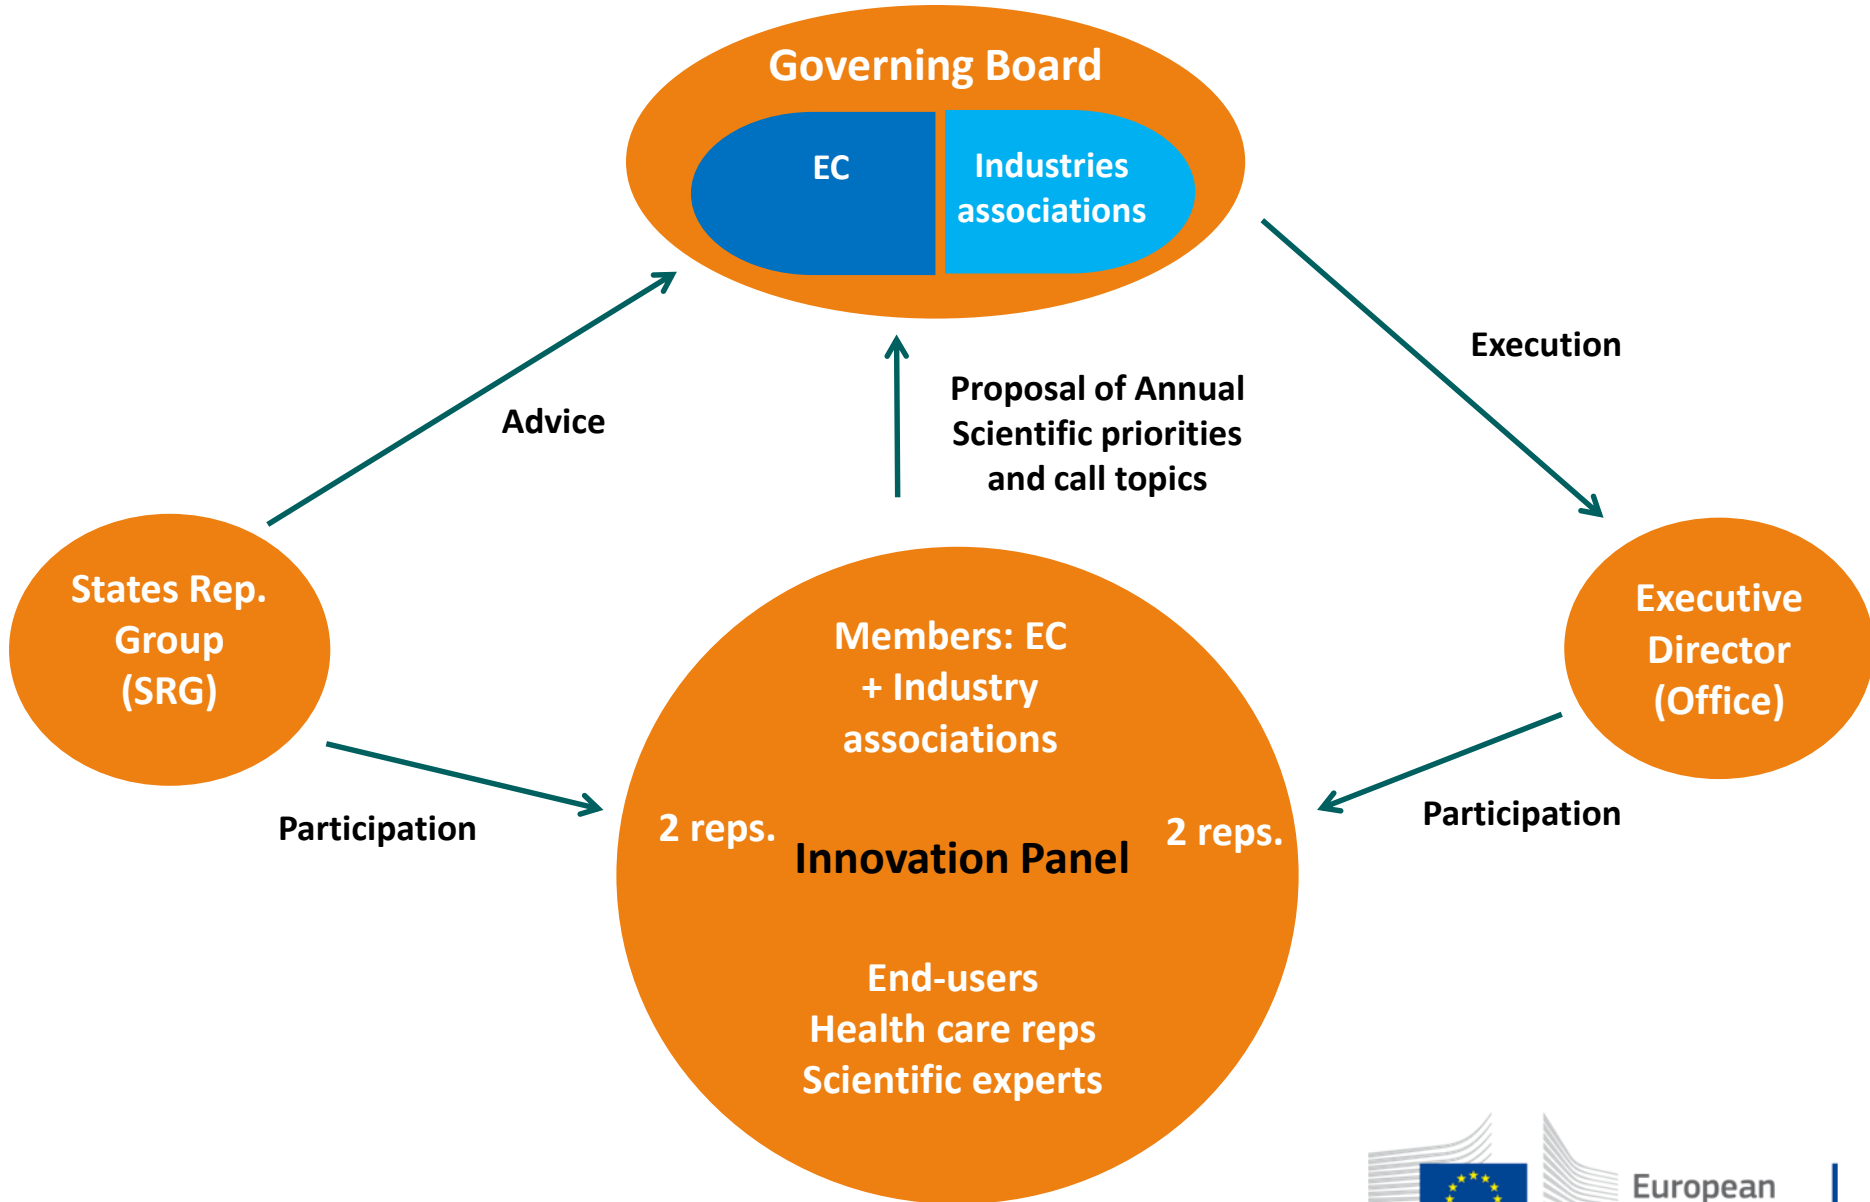

- EFPIA
- COCIR
- MedTech Europe
- EuropaBio
- Vaccines Europe

### EU

- represented by the European Commission (DG RTD)

\*Name to be decided

# IHI\* governance

\*Name to be decided

# European Partnership on Transforming Health and Care Systems

**The General Objective:** to ensure the transition towards more sustainable, resilient, innovative and high quality people-centred health and care systems.

## Partners composition

National and regional **decision makers of health and care systems**

National and regional **decision makers of R&I policy priorities**

National and regional **R&I funders**

National, regional and local **health & care providers**

Key actors **promoting health & care innovation**

All categories of **end-users**

# Thank you!
