**Subject: Update on antimicrobial resistance (AMR) – World Health Organisation input**

**Agenda item 7a**

---

In November 2011 the Commission adopted a 5-year Action Plan on AMR. A publication of a Commission's progress report on the implementation of that Action Plan is scheduled by the end of 2014.

Action 8 of the EC's Action Plan to combat the rising threat from AMR is about international cooperation. Recently the Commission provided a response to the consultation of the WHO on a Global Action Plan on AMR.
