

Luxembourg, 28 January 2021

**Scientific Committee on Health, Environmental and Emerging Risks
(SCHEER)
Working Group on safety of breast implants in relation to anaplastic
large cell lymphoma (BIA-ALCL)**

Meeting date: 20 January 2021

Minutes

1. Welcome and apologies, approval of the agenda and declaration of interests

The Chair welcomed the participants; five apologies were received.

The agenda was adopted without change.

The Chair invited participants to declare any interest regarding matters on the agenda. None of the participants declared any interest conflicting with the matters on the agenda.

2. List of points discussed

2.1. Discussion on contributions for PC

The SCHEER WG continued working on the comments received during the public consultation. It will proceed in the same way in the following meeting in order to address all the questions received.

3. Any Other Business

Next meetings of the SCHEER WG is planned for the 5 February 2021.

The plan is to address all the comments received during the public consultation and have the final version of the Opinion presented at the SCHEER Plenary of 3-4 March 2021.

Delays may occur in view of the COVID-19 crisis limitations.
