<p>Call for expressions of interest for the position of Commission appointees to the Committee for Orphan Medicinal Products to represent patient organisations (COMP/20/P)</p>
--

1. Objectives of the Call

The objective of the present Call is to invite applications for the positions of Commission appointed members to the Committee for Orphan Medicinal Products ("COMP") of the European Medicines Agency ("EMA") established by Regulation (EC) No 141/2000 of the European Parliament and of the Council of 16 December 1999 on orphan medicinal products¹.

Since management of the selection procedure involves the collection and further processing of some of your personal data, Regulation (EU) 2018/1725 of the European Parliament and of the Council of 23 October 2018 on the protection of natural persons with regard to the processing of personal data by the Union institutions, bodies, offices and agencies and on the free movement of such data, and repealing Regulation (EC) No 45/2001 and Decision No 1247/2002/EC is applicable.

The processing of personal data in the context of the Call is under the responsibility of the Unit A3 "Finance, budget and controls" of the European Commission's Directorate-General for Health and Food Safety, acting as the Controller.

2. What personal information do we collect and for what purpose?

Processing is based on Article 4 (3) of Regulation (EC) No 141/2000, according to which three members of the Committee for Orphan Medicinal Products are appointed by the Commission to represent patients' organisations on the basis of a public call for expression of interest.

Processing is lawful in accordance with Article 5(1)(a) and (b) of Regulation (EU) 2018/1725, since it is necessary for the performance of a task carried out in the public interest and for compliance with a legal obligation to which the Controller is subject under Article 4 (3) of Regulation (EC) No 141/2000.

For the purposes of appointing members, the following personal data are processed under the responsibility of the Controller at the Commission

¹ OJ L 18, 22.1.2000, p. 1.

2.1 Application form

The application form mainly collects identification data and contact information of applicants in the Call, together with data on the applicants' language knowledge, current employer, qualifications and professional experience.

This information is necessary to select the most suitable candidates to fill the position of members for the Committee for Orphan Medicinal Products and to ensure that they have the competence and expertise needed to guide the Agency on matters relating to the fulfilment of its mission.

Your contact details will also be used by the Commission for the purposes of contacting you to inform you of the outcome of the selection procedure. If you are appointed by the Commission as a member of the Committee for Orphan Medicinal Products, your contact details and a copy of your CV will be sent to EMA.

2.2 Declaration of interests form

The declaration of interests form collects data concerning the applicant's professional career (participation in scientific bodies, etc.), private interests (ownership or other investments, membership or affiliation, etc.) and interests of close family members.

In case you provide personal data of your close family members, please note that you should inform them that the Commission will process their data as covered in this privacy statement.

This data needs to be collected to safeguard the independence of EMA, in line with the aim of Article 63(2) of Regulation (EC) No 726/2004 according to which members of the committees are to act in the public interest and in an independent manner.

In the context of the evaluation of candidates' application prior to the adoption of the Commission's list, declaration of interest forms are submitted to EMA for screening purposes.

2.3 Other documents included in the application

The application must include a letter of motivation, a Curriculum Vitae and a Declaration of Interest Form. Applicants may be requested to provide supporting documents at a later stage.

2.4 Evaluation data

Evaluation grids and other data relating to applicants are generated as a result of the assessment activities carried out by the selection committees with regard to the matching of applications against the evaluation criteria set out in the Call.

3. Who has access to your information and to whom is it disclosed?

Access to your personal data is given, on a need-to-know basis, to the following actors involved in the selection procedure: staff members in the unit responsible for managing the Call, members of the selection committees and members of the Commission adopting the final decision on the list.

No personal data is transmitted to parties which are outside the recipients and the legal framework mentioned. This is without prejudice to the possible transmission of data to the bodies in charge of a monitoring or inspection task in conformity with EU law, including the European Court of Auditors, the Internal Audit Service, OLAF, the European Ombudsman and the European Data Protection Supervisor.

4. How do we protect and safeguard your information?

Your personal data are stored in the IT infrastructure of the Directorate-General for Health and Food Safety, the operations of which underlie the Commission's security decisions and provisions established by the Security Directorate.

Appropriate measures are in place in accordance with Article 33 of Regulation (EU) 2018/1725, in particular to protect the data provided by applicants against possible misuse by internal or external persons. Specific protection mechanisms are used while transmitting the information to the recipients indicated under Section 3 above.

5. How can you verify, modify or delete your information?

In case you want to have access to your personal data or to have them rectified, erased or the processing of your personal data restricted in the cases referred to under Articles 17, 18, 19, 20 and 23 of Regulation (EU) 2018/1725, you should contact the responsible Controller by using the "Contact information" provided under Section 7 below and by explicitly stating your request. Legitimate requests will be replied by the Controller within 15 working days as from receipt of the request.

In particular, applicants have the right to request the rectification of their identification data at any time. In order to ensure fair and equal conditions for the selection process, data demonstrating compliance with the evaluation criteria set out in the Call may not be rectified or updated after the closing date for the Call.

Applicants may request access to their evaluation results once the decision on appointment for this position has been taken.

6. How long do we keep your data?

Your data will be kept for 3 years following completion of the selection procedure. However, if you are among the candidates who have been appointed as members of the Committee for Orphan Medicinal Products, your data will be kept for a period corresponding to the entire duration of your mandate, if longer than the abovementioned period of 3 years.

7. Contact Information

In case you have questions concerning the processing of your personal data in the context of the Call, or would like to exercise your rights as data subject (see Section 5 above), you should contact the responsible Controller by using the following contact information and by explicitly stating your request and by referring in the subject to the reference number COMP/20/P, as appropriate:
