

8TH eHEALTH NETWORK 23 NOVEMBER 2015
COVER NOTE BY SECRETARIAT

Topic 5: Presentations on national eHealth strategies

Issue at stake

Presentations on the Member States' eHealth strategy or their activities in eHealth are a structural part of the eHealth Network agenda to exchange knowledge and experiences.

For the first time at the 7th eHealth Network on 12 May 2015 in Riga 3 Member States (Belgium, Finland and Latvia) gave a presentation on their national eHealth strategy.

The presentations are meant to facilitate exchange of experience and best practices in creating a national eHealth strategy.

Summary of document

At this 8th eHealth Network Portugal and France will give a presentation on their national eHealth strategy or their national activities in eHealth.

Format of procedure in the eHN

The Member State Chair will first ask Portugal to present their national eHealth strategy and then France.

The eHealth Network Members are given the opportunity to ask questions and make comments.
