To DG SANCO/D/6

Dear Mr. Fuehring,

Please find attached several comments from CEPIC/ EFCG on:

**Delegated Act on the Principles and Guidelines of Good Manufacturing Practice
for Active Substances in Medicinal Products for Human Use**

CEPIC is the organization representing national federations, companies and more than 100 affiliated associations and sector groups, located in Europe. All together CEPIC represents directly or indirectly more than 40,000 large, medium and small chemical companies in Europe, which employ about 2 million people and account for more than 30% of the world's chemical production.

EFCG is one of CEPIC sector groups; it is the representative body for European manufacturers of fine chemicals. We highly appreciate this opportunity of submitting our members' comments on the above mentioned document.

We trust that you will take our comments into consideration and look forward to hearing from you soon.

Yours sincerely,

TONY SCOTT
