

26 August 2020

**Webinar organized by DG SANTE in collaboration with ERN eUROGEN
on “Urology in the COVID-19 era”**

This webinar is part of a series of events dedicated to the management of patients suffering of COVID-19 and some Rare and Complex Diseases or Conditions. The webinars are organised by DG SANTE and the European Reference Networks system (ERNs).

*Several speakers from the ERN eUROGEN and European Association of Urology will hold the seminar, which will take place on **Thursday 03 September at 17.00 CET**. They will address **the possible impact of the COVID-19 infection in the urology domain, in the development of cancer guidelines and functional urology.***

In the context of the “COVID-19 Clinical Management Support System” launched by the European Commission, DG SANTE organises a series of webinars to support clinicians and other healthcare professionals and experts involved in the management of the patients affected by COVID-19. These webinars will bring the expertise and recommendations of several experts from the 24 ERNs in the management of challenging cases of patients suffering at the same time of COVID-19 and a rare or complex disease or conditions.

Agenda of the webinar and technical information on how to connect hereafter:
