

Scientific Committee on Consumer Safety (SCCS)

WG on 'Nanomaterials in Cosmetic Products'

Minutes 13 March 2014

1. Welcome and apologies

The Chair welcomed the participants. Four apologies were announced by the Chair.

2. Adoption of the agenda

The agenda was adopted as it was presented.

3. Declaration of interest on matters on the agenda

No potential risk of conflict of interest was declared.

4. Information from Chair/members/Commission

The Chair informed that the SCCS members have been consulted on the 1st part of the draft opinion on Synbio as it is a joint opinion.

5. Silica (nano form)

Questions to applicants have been finalised for sending. As it is a first submission via the CPNP portal, applicants will be contacted in parallel to be sure it is working smoothly.

6. Comments on previous opinions

Carbon black

The group discussed the replies to the comments. They will be adopted at the next plenary meeting (27/3).

Memorandum on

The group discussed the replies to the comments. They will be adopted at the next plenary meeting.

TiO₂

The group just received additional clarifications from the applicant therefore this point is postponed to the April WG meeting.

7. Any other business

Next meeting is planned on 7 April 2014, in AUDIO only.
