**Pitch webinar by 2021 Thematic Network semi-finalists:
Presentations and webinar video recording now available**

The European Commission invited health stakeholders to this pitch webinar on 7 July 2021 at 11.00 CEST, when the five potential 2021 Thematic Networks presented their proposals to lead a Joint Statement on one of the following topics:

- "Climate action through public health education and training", led by the Association of Schools of Public Health in the European Region
- "Health as a fundamental value. Towards an inclusive and equitable pharmaceutical strategy for the EU", led by the European Association of Health Law's Interest Group on Supranational Biolaw
- "Integrated Nutrition Cancer Care: We can start today!", led by the European Nutrition Health Alliance
- "Migrants and ethnic minority health section (EUPHA-MIG)", led by the European Public Health Association
- "Implementing the Rare Cancer Agenda 2030", led by Rare Cancers Europe

They only had 5 minutes each to present their initiatives.
