

**20 April 2020**

**First webinar organized on 20 April by the “COVID-19 Clinical Management Support System” on “Sarcoma and COVID-19”**

*The seminar, which will take place on 20 April from 18.00 to 19.00 (CET) will give the floor to two experts of the ERN EURACAN and to an expert from the Royal Marsden Hospital in UK. The purpose of the webinar is to provide clinicians with the most updated knowledge on how to manage patients affected both by sarcoma and COVID-19.*

Prof. Jean-Yves Blay (Director of Centre Léon Bérard, President of UNICANCER, Coordinator of ERN EURACAN) and Prof. Paolo G. Casali (Director of Medical Oncology Unit 2, Istituto Nazionale Tumori of Milan, IT, Sarcoma domain Leader of the ERN EUROCAN), as well as Prof. Robin Jones (Head of the Sarcoma Unit at The Royal Marsden Hospital/ Institute of Cancer Research, UK) will address the main aspects related to the clinical management of patients affected both by sarcoma and COVID-19. Attendees will then be able to ask questions to the speakers. The webinar will be recorded and available for off line vision afterwards.

In the context of the “COVID-19 Clinical Management Support System” launched by the European Commission, DG SANTE organise a series of webinars to support clinicians and other healthcare professionals at the frontline of the care of COVID-19 patients. Based on the experience with the European Reference Networks (ERNs), these series of webinars will bring the expertise and recommendations of experts of the 24 ERNs in the management of some of the more complex cases of patients suffering at the same time of COVID-19 and a rare or complex disease or conditions.

Agenda of the webinar and technical information on how to connect hereafter:

## COVID19 CLINICIANS Network
