

Luxembourg, 11 October 2017

**Scientific Committee on Health, Environmental and Emerging Risks  
(SCHEER)**

**Working Group on safety of PIP silicone breast implants and on a possible association  
between breast implants and anaplastic large cell lymphoma**

10 October 2017, Luxembourg

**Minutes**

**1. Welcome and apologies, approval of the agenda and declaration of interests**

The Chair welcomed the participants. The agenda was adopted as presented.

The Chair invited participants to declare any interest regarding matters on the agenda. None of the participants declared any interest conflicting with the matter on the agenda.

**2. List of points discussed and conclusions**

**2.1 Discussion on the scientific advices:**

The discussion was mainly focused on the final version of the scientific advice on the state of scientific knowledge regarding a possible connection between breast implants and anaplastic large cell lymphoma.

**2.2 Conclusions**

The WG reworded the Abstract and Conclusion section in order to address all comments received before, during and after the SCHEER's plenary meeting on 28/09. The updated version of the advice will be sent to the SCHEER for adoption by written procedure.

**3. Information from the Commission and WG members**

No information.

**4. Next meeting(s):** no further meetings are foreseen.

**5. Closure of the meeting**
