## Updated meetings and review schedule of the TWG on COVID-19 Diagnostic Tests for the first semester of 2023

As agreed by the Health Security Committee on 15/3/2023

**IMPORTANT:** Please note that the Health Security Committee has decided that the work of the technical working group on COVID-19 diagnostic tests will be discontinued.

Manufacturers can submit applications for antigen devices to be included in the EU common list until **31 March 2023, 23:59 CET**. After this date, neither applications nor further details submitted by email will be considered or assessed. The final update of the EU common list is expected to be published by the end of April 2023. The technical working group and its activities will formally come to an end once the EU Digital COVID Certificate Regulation is no longer in force.

- **Mon 16 January 2023:** 29<sup>th</sup> TWG meeting
  - Review of applications submitted between 19 Nov 2022 and 31 Dec 2022
- **Tue 7 March 2023:** 30<sup>th</sup> TWG meeting
  - Review of applications submitted between 1 Jan 2023 and 16 Feb 2023
- **Fri 21 April 2023:** 31<sup>st</sup> TWG meeting – **FINAL MEETING**
  - Review of applications submitted between 17 Feb 2023 and 31 March 2023
