

## **Scientific Committee on Consumer Safety (SCCS)**

### **WG on Cosmetic Ingredients**

Venue: Luxembourg

Meeting date: 21 May 2013

#### **Minutes**

#### **1. WELCOME AND APOLOGIES**

Six apologies were announced by the Chair

#### **2. ADOPTION OF THE AGENDA**

The agenda was adopted as it was presented

#### **3. DECLARATION OF INTEREST ON MATTERS ON THE AGENDA**

No declaration of potential conflict of interest was made

#### **4. NEW REQUESTS**

A discussion took place regarding the need for updating basic requirements for toxicological dossiers to be evaluated by the SCCS (cf. SCCNFP – rev 17/12/2002). It is planned to be done during the next plenary.

-> The mandate for S86, UV filter Phenylene Bis Diphenyltriazine was presented. No Rapporteur was appointed as the file is incomplete. The follow up will be based on the update of basic requirements, as mentioned above

-> The mandate for preservative Ethyl Lauroyl Arginate HCl (P95 – submis. IV) was presented and a rapporteur appointed.

#### **5. DRAFT OPINIONS ON**

- **P81, ZINC PYRITHIONE**

**SCCS/1512/13**

The draft opinion was discussed close to finalisation. The opinion is foreseen to be adopted at the next plenary meeting in June.

- **S61, 3-BENZYLIDENE-CAMPHOR**

**SCCS/1513/13**

The draft opinion was discussed close to finalisation. The opinion is foreseen to be adopted at the next plenary meeting in June.

- **ECO G+**

Issues were identified and clarifications will be requested.

#### **6. ANY OTHER BUSINESS**

Next meetings are foreseen on 27/08 and 08/10.
