

**Scientific Committee on Health, Environmental and Emerging Risks
(SCHEER)**

2nd Meeting of the Working Group for a scientific opinion on risks for the health associated to the use of brain stimulators not having an intended medical purpose described in the group 6 of Annex XVI to Regulation (EU) 2017/745

17 June 2024

Minutes (AUDIO)

1. Welcome and apologies

The Chair welcomed the SCHEER members who attended the audio meeting. There was one apology.

2. Adoption of the agenda

The agenda was adopted adding the point of selection of rapporteur.

3. Declaration of interests on matters on the agenda

The Chair invited participants to declare any interest regarding matters on the agenda. None of the participants declared any new interest conflicting with the matters on the agenda. Any interest already reported in the annual declaration remains valid.

4. Literature review and library search

The results from the library searches were discussed and a new search was agreed on.

5. External expertise needed

The EU database was scrutinised, and two experts suiting the WG needs replied positively with interest. A specific call is nevertheless under preparation for additional specific expertise needs -> it will be launched on the website soon : [Consultations - European Commission \(europa.eu\)](https://european-commission.europa.eu)

6. Timeline

The deadline for the adoption of the final document is end of 2025.

7. Next meeting

The next WG meetings are planned on 5 September and 4 October 2024.
