Sub-group of the AMR One Health Network
- National Action Plans (NAPs)

7 July 2021

AMR One-Health Network

- launched with the 2017 Commission Action Plan against AMR
- informal network of Member States bringing together the human health, veterinary and environment representatives
- to coordinate policy actions on AMR and ensure a true One-Health approach.

One Health AMR network - meeting of 25/3/2021

Commission services proposed to place a renewed attention to the fight against antimicrobial resistance (AMR).

MS asked about :

- Revision of the One health network and creation of subgroups
- Launch of a subgroup on AMR One-Health National Action Plans
- Participation of stakeholders

Sub-group on NAPs - Communication channels

- SANTE-AMR-ONE-HEALTH@ec.europa.eu

- A screenshot of the CIRCABC (Central Information Resource for the Commission) interface. The top navigation bar is dark blue and contains the European Union flag, the text "CIRCABC", a notification bell icon, and a search box with the placeholder text "Search" and a magnifying glass icon. Below the navigation bar is a horizontal menu with icons and labels for "Information", "Library", "Members", "Agenda", "Forums", and "Admin". The "AMR National Action Plans" section is highlighted with a green underline. Below the menu is a light blue breadcrumb trail: "European Commission > Health and Food Safety > AMR National Action Plans".

Health and
Food Safety
