

# SGPP's role in the next MFF

**Director,  
DG SANTE**

**SGPP meeting**

**7 June 2019**

# Next MFF – health funding

- ESF+ EUR 101 billion, health strand EUR 413 million
- Horizon Europe 100 billion, 'Health Cluster' EUR 7.7 billion
- The Digital Europe Programme EUR 9.2 billion

# Needs assessment

- **National requests and initiatives**
- State of health
- European Semester
- Monitoring of targets for non-communicable diseases and the sustainable development goals
- External reports (e.g. OECD, WHO)
- Reports and information from the agencies (ECDC, EMCDDA, OSHA etc.)

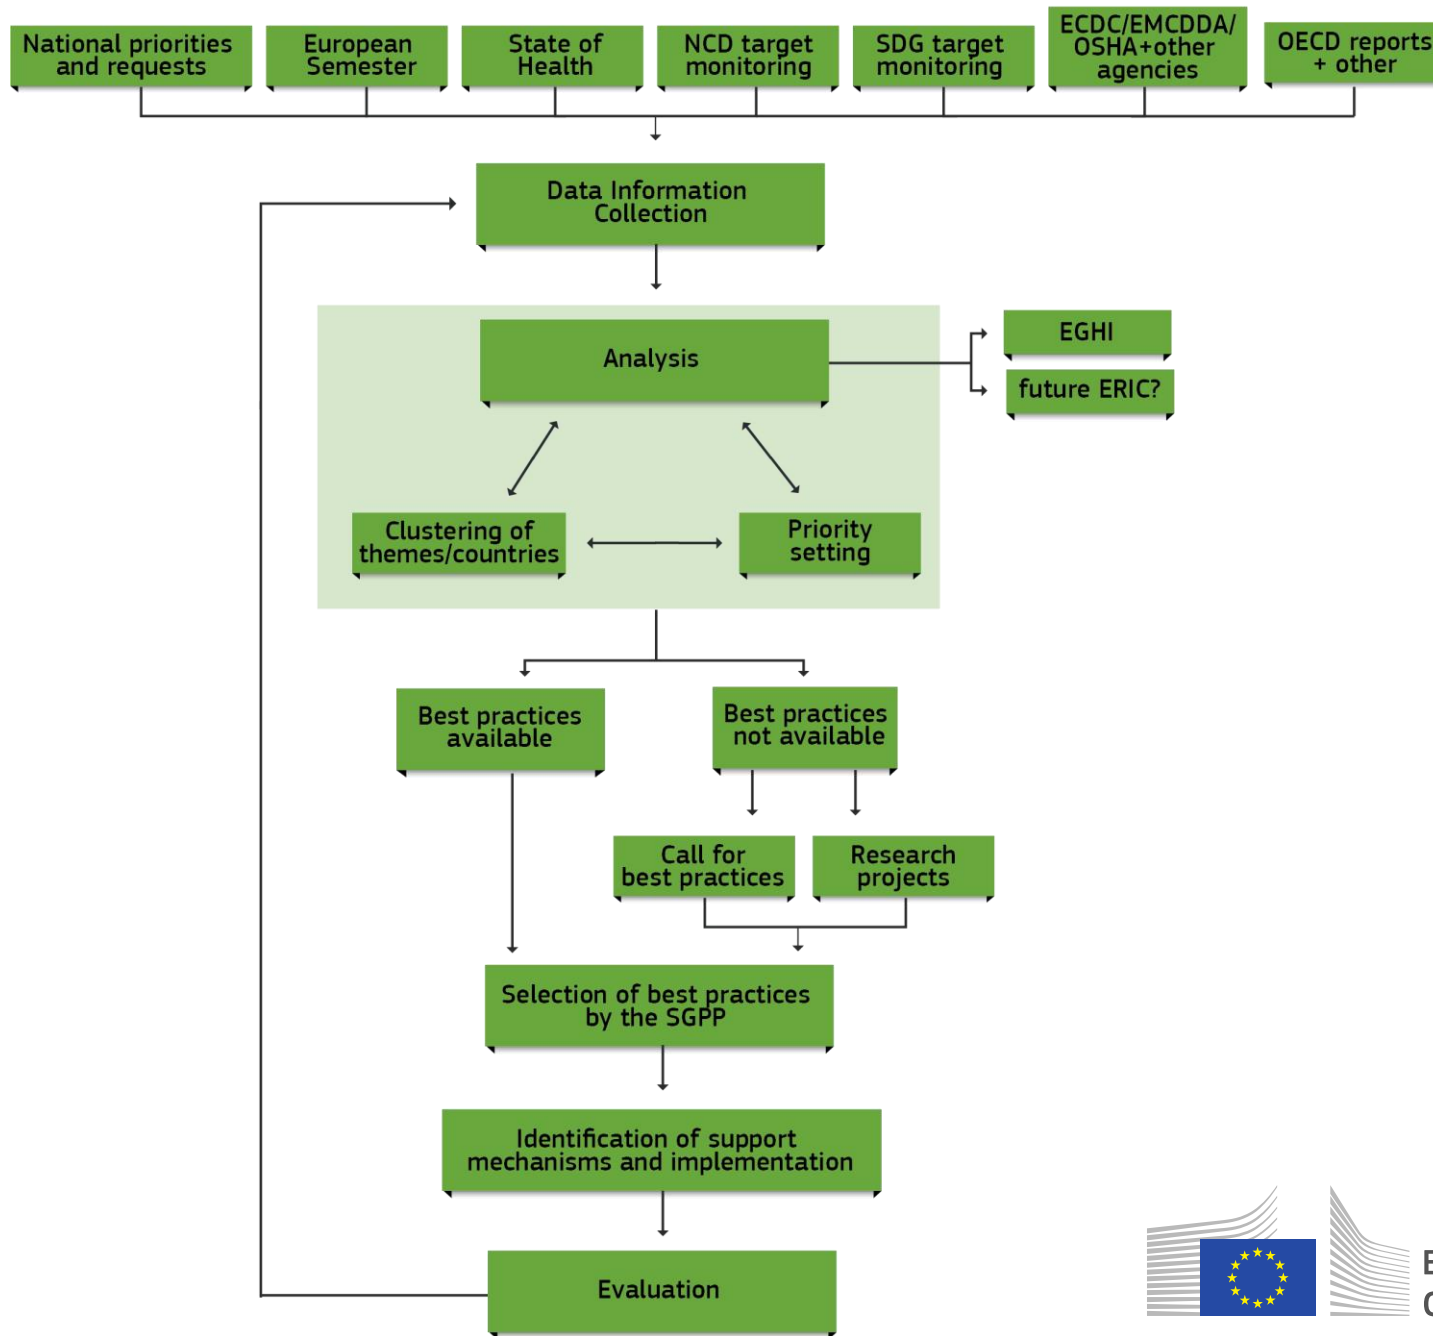

# Analysing data

- Clustering themes/countries with similar challenges

# Identifying solutions: best practices

- collecting health interventions (best practices, implementable research results, training and IT support)
- Member States would rank the best practices or interventions
- Financial support for implementation

# Planning Framework for the SGPP

# Conclusions

- Next MFF: improve coordination between policies and funding
- SGPP will have a key role in the future rollout of ESF+ health strand and the health cluster of HorizonEurope
