Updated List of stakeholder organisations interested in participating in ad-hoc meetings with representatives of members of the Competent Authorities on Substances of Human Origin Expert Group

On 06 June 2023¹, DG SANTE launched a new call for expressions of interest to establish a list of stakeholder organisations interested in participating in ad-hoc meetings between stakeholders and representatives of members of the Competent Authorities on Substances of Human Origin Expert Group (CASoHO E01718).

In line with the selection criteria set out in the Terms of Reference for this Call, DG SANTE established an initial list based on applications received from stakeholder organisations in November 2016. This list was updated in January 2017, May 2017, November 2017, September 2018 and November 2020. These stakeholder organisations remain on the list.

Based on further applications received after the update of the list in November 2020, the stakeholder organisations in **bold** below have been selected and added to the list:

- Blood Transfusion Association (BTA)
- Common representation of Substances of Human Origin's (SoHO) Associations
