23 January 2020
Brussels

MAIN FACTS ABOUT SURVEY ON SGPP

PURPOSE: to take stock of what works well and what needs to be improved to ensure that the SGPP is as effective as possible for reaching the SDG and providing the necessary support for the MSs and EU level actions on health

PERIOD: November 2019 and January 2020

METHODOLOGY: Questionnaire and interview

PARTICIPANTS: **26** MSs, Norway and Iceland

Benefits of the Steering Group

Knowledge-sharing

particularly on funding opportunities and best practices

Priority setting

it encourages and facilitates decision-making in national level

Strengthening of inter-sectoral cooperation

at national level

Future areas for improvement

- focus on **limited number of topics**

CAPACITY BUILDING

- Exchange on **cost benefit analysis**
- **Toolbox** for the best practice transfer and evaluation

New topics for the rolling agenda

82 topics submitted

NCDs
20

Digital health
10

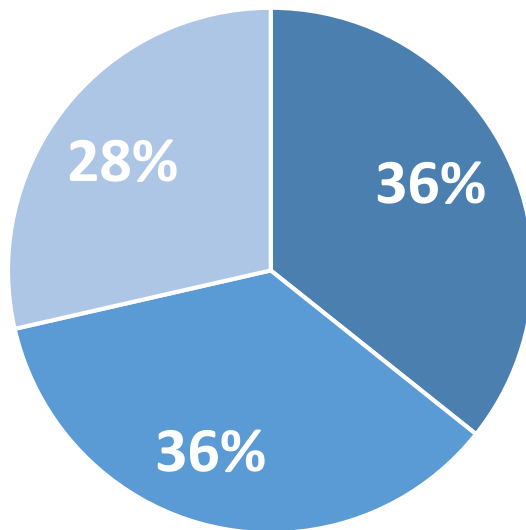

**Health
determinants**
14

**Communicable
diseases**
8

**Health care
services**
14

**Shortage of
drugs**
4

Extension of the mandate to communicable diseases

■ Yes ■ No ■ Uncertain

- **Comprehensive approach on health**
▲ ▼
- **NCDs are under-represented at EU level**
▲ ▼
- **Concerns about overlaps with ECDC and HSC**

Proposal for future activities

- *Preparation of the rolling agenda*
- *Knowledge-sharing of larger scale population level policies and health reforms*
- *Marketplaces on certain policies*
- *Changes in the Best Practice Portal*
- *Elaboration of EU level guidance documents*
- *More flexible creation of subgroups*
- *Exchange on cost-effectiveness analysis*
- *Start use of the EU Health Policy Platform*

Set up rolling agenda of SGPP

1

priorities

- SGPP
- EC
- WHO Europe
- Others

2

ranking

- Countries' priorities
- Other priorities
- Top 10-15

3

consultation

- Size of problem
- Seriousness problem
- Solutions
- Feasibility

4

rolling agenda

- 2-3 topics/yr
- next 5 yrs
