

Luxembourg, 1 June 2021

<p style="text-align: center;">Scientific Committee on Consumer Safety (SCCS) Meeting of the Working Group on Cosmetic Ingredients in Cosmetic Products</p>

21 May 2021, Luxembourg

Minutes

1. Welcome and apologies, approval of the agenda and declaration of interests

The Chair welcomed the participants. The meeting was organised via AUDIO. Two apologies were received. The agenda was adopted without changes.

The minutes of the previous meeting held on 27 April have been agreed by the members of the WG and published on the website:
https://ec.europa.eu/health/scientific_committees/consumer_safety/minutes_wg_meetings_en

The Chair invited participants to declare any interest regarding matters on the agenda. None of the participants declared any interest conflicting with the matters on the agenda.

2. List of points discussed

2.1 Legislative points from GROW

- Update on the state of play and possible new mandates in relation to TiO₂ (oral exposure and inhalation)

2.2 New mandates

- A mandate for an opinion on aluminium (aggregate exposure data) has been adopted by written procedure on 7 May and published.
- A draft mandate for an opinion on arbutins has been discussed and will be sent officially by DG GROW for plenary agenda and adoption.

- A draft mandate for a scientific advice on ED substances left from Group A (like Triclocarban and Triclosan) has been discussed and will be sent officially by DG GROW for plenary agenda and adoption.

2.3 Draft Opinion discussed

- Prostaglandin and analogues: the draft opinion was presented by the rapporteur and discussed. New tasks were distributed among members.
- Methylsalicylate: the draft opinion was presented by the rapporteur and discussed. New tasks were distributed among members.
- Genistein/Daidzein: both dossiers were presented by the rapporteurs and tasks distributed among members.

2.4 Comments on Opinions

- Homosalate: the final draft opinion has been discussed together with the final SCCS answers to the comments received. They will be discussed plenary meeting for finalisation and adoption.

3. Information from Chairman/Members/Commission

- The scientific advice on the threshold for the warning ‘contains formaldehyde’ in Annex V has been adopted by written procedure on 7 May and published.
- C054 hair dye: the draft preliminary Opinion has been adopted by written procedure on 7 May and published for comments by 5 July 2021.
- The Chair of the WG on Methodology shared a poster on thyroid toxicity presented by Eurotox at European Partnership for Alternative Approaches to Animal Testing (EPAA) meeting held on 5 May. She suggested to invite an AD-HOC speaker for discussing that specific issue related to ongoing files. SCCS agreed.

4. Next meetings

26 May 2021, 15(pm)-16 July and 8-9 September 2021
