

Meeting of the Commission’s advisory panel on COVID-19 - agenda

Tuesday 21/04/2020 at 20:00

Points for discussion

1. Roadmap towards de-escalation of COVID-19 containment measures

The roadmap was published on 15 April 2020 and states that the Commission will develop further guidance if needed or requested.

- Any reactions to the EU’s roadmap?
- What further guidance or follow-up action would be advisable at EU level?

In annex, please find a list of guidance documents and guidelines already presented by the European Commission as well as an overview of follow-up actions announced in the roadmap.

2. Any other business
