

**Scientific Committee on Health, Environmental and Emerging Risks
(SCHEER)**

**7th Meeting of the Working Group on the update of the guidelines on the benefit-risk
assessment of the presence of phthalates in certain medical devices.**

24 November 2023

Minutes (AUDIO)

1. Welcome and apologies

The Chair welcomed the participants who attended the audio meeting. There were two apologies for the full day and two for half a day.

2. Adoption of the agenda

The agenda was adopted.

3. Declaration of interests on matters on the agenda

The Chair invited participants to declare any interest regarding matters on the agenda. None of the participants declared any interest conflicting with the matters on the agenda.

4. Literature search

Some members of the WG added relevant publications to the literature searches.

5. Allocations of tasks

Additional tasks were distributed among the members and some update of the different sections of the former guidelines were discussed and agreed on.

6. Timeline

Next meetings will be on 21 December 2023.

Next year, a public hearing is planned on 11 April 2024 (during the public consultation period) and the deadline for the adoption of the final document is planned by mid-June 2024.
