

Scientific Committee on Consumer Safety

3rd meeting of the WG on Nitrosamines – 21 March 2011

Minutes

1. WELCOME AND INTRODUCTION

The Chairman welcomed the participants and illustrated the aim of the meeting.

2. ADOPTION OF THE AGENDA

The agenda was adopted as proposed (Annex).

3. DECLARATION OF INTEREST ON MATTERS ON THE AGENDA

One of the experts declared an interest in relation to a research project which had received industry funding. Although the declared activity took place outside the 5 years period for which declarations of interest are requested according to the Rules of Procedure of the Scientific Committees, the WG examined the matter and agreed that this did not constitute a conflict of interest.

4. DISCUSSION OF THE OPINIONS

Further modifications to the mandate on Nitrosamines and Secondary Amines in Cosmetic Products were suggested. The planned structure of the two opinions was discussed and revised. Tasks for drafting of chapters were distributed.
