

COMMISSION DECISION

C(2010)7593

of 27 October 2010

on the awarding of grants for proposals for 2010 under the second Health Programme (2008-2013)

THE EUROPEAN COMMISSION,

Having regard to the Treaty on the functioning of the European Union,

Having regard to Decision No 1350/2007/EC of the European Parliament and of the Council of 23 October 2007 establishing a second programme of Community action in the field of health (2008-2013)¹, and in particular Article 8(2) thereof,

Having regard to the Commission Decision of 2 September 2008 SEC(2008) 2395 conferring delegated powers to implement the second programme of Community action in the field of health (2008-2013) to the Director-General of the Directorate General for Health and Consumers²,

Having regard to the Decision of the Director-General of the Directorate General for Health and Consumers of 9 September 2008 sub-delegating the exercise of delegated powers concerning decisions on the award of grants in the framework of the second programme of Community action in the field of health (2008-2013) to the Director of Directorate SANCO C "Public health and risk assessment".

Whereas:

- (1) The work plan for 2010 for the implementation of the second programme of Community action in the field of health (2008-2013) was adopted by the Commission on 18 December 2009 (Decision 2009/964/EU)³.
- (2) According to the work plan for 2010, the total indicative amount for the call for proposals for projects is estimated at EUR 13 399 640, the total indicative amount for joint actions by the European Union and one or more Member States or by the European Union and the competent authorities of other countries participating in the Programme is estimated at EUR 10 600 000, the total indicative amount for operating grants is estimated at EUR 2 000 000 and the total indicative amount for conferences in the field of public health and risk assessment is estimated at EUR 800 000:

¹ OJ L 301, 20.11.2007, p.3.

² SEC(2008)2395.

³ OJ L 340, 22.12.2009, p.1.

EUR 200 000 for conferences organised by the Presidency of the Union and EUR 600 000 for other conferences.

- (3) A call for proposals 2010 was published on 22 December 2010 with a view to selecting proposals eligible for European Union funding under the work plan for 2010.
- (4) This call for proposals consisted of the following parts:
 - a call for proposals for the award of a financial contribution to specific actions in the form of projects,
 - a call for proposals for the award of a financial contribution to specific actions in the form of conferences,
 - a call for proposals for the award of a financial contribution to the functioning of non governmental bodies and specialised networks (operating grants),
 - a call for proposals for the award of a financial contribution to specific joint actions between the Commission and Member States/ participating countries

The deadline for submitting proposals under each call was 19 March 2010.

- (5) In accordance with Article 116(1) of the Financial Regulation, an evaluation committee met on 17 and 18 May 2010 and drew up a list of proposals deserving to receive European Union co-financing in that they best meet the award criteria laid down in Commission Decision 2009/964/EU on the selection, award and other criteria for financial contributions to the actions of this programme, and a reserve list of proposals that could be funded if appropriations were available. In view of the need for efficient networking of laboratories for the detection of highly infectious pathogens in the implementation of Decision No 2119/98/EC of the European Parliament and of the Council, it is necessary to depart from the recommendation of the evaluation committee and to include joint action "Quality Assurance Exercises and Networking on the Detection of Highly Infectious Pathogens" on a reserve list for funding.
- (6) The Committee of the second Programme of Community action in the field of health (2008-2013) issued a favourable opinion on the results of the selection procedure at its meeting on 7 July 2010,
- (7) Pursuant to Article 15 of the Commission's Rules of Procedure, the adoption of certain individual decisions on the award of grants may be sub-delegated to the competent Director, subject to the restrictions and conditions laid down in the implementing rules of the Commission's rules of Procedure,

HAS DECIDED AS FOLLOWS:

Article 1

Co-financing totalling EUR 13 381 725 is awarded to the projects listed in Annex I to this Decision which comply with the eligibility and selection criteria laid down in Commission Decision 2009/964/EU and which have obtained in the evaluation process the highest quality

marks as regards the award criteria. The amounts accepted for funding are indicated for each project in Annex I.

In cases where the evaluation committee has recommended that beneficiaries improve the quality of a project by performing additional tasks not included in the proposal the accepted amount may be increased by up to 10%, conditional to budget availability.

Article 2

Co-financing totalling EUR 627 839 is awarded to the conferences set out in Annex II to this Decision which comply with the eligibility and selection criteria laid down in Commission Decision 2009/964/EU and which have obtained in the evaluation process the highest quality marks as regards the award criteria. The amounts accepted for funding are indicated for each conference in Annex II.

Article 3

Co-financing totalling EUR 2 025 160 is awarded to the operating grants set out in Annex III to this Decision which comply with the eligibility and selection criteria laid down in Commission Decision 2009/964/EU and which have obtained in the evaluation process the highest quality marks as regards the award criteria. The amounts accepted for funding are indicated for each operating grant in Annex III.

Article 4

Co-financing totalling EUR 12 681 662 is awarded to the joint actions set out in Annex IV to this Decision which comply with the eligibility and selection criteria laid down in Commission Decision 2009/964/EU and which have obtained in the evaluation process the highest quality marks as regards the awards criteria. The amounts accepted for funding are indicated for each joint action in Annex IV.

In cases where the evaluation committee has recommended that beneficiaries improve the quality of a joint action by performing additional tasks not included in the proposal the accepted amount may be increased by up to 10%, conditional to budget availability.

Article 5

Reserve lists for projects, conferences, operating grants and joint actions which could receive European Union co-financing within the limits of any available appropriations are established and set out respectively in Annex V, VI, VII and VIII to this Decision. The order in which the proposals are listed constitutes the order of priority for each list.

If appropriations become available, they will be awarded to the reserve list of projects and joint actions on a priority basis, in accordance with point 2, paragraph 1 of Annex I of Commission Decision 2009/964/EU, taking into account the allocation of the budget to the other financial instruments.

Article 6

Three applicants, detailed in Annex IX, are rejected for reasons relating to compliance with the eligibility and selections criteria laid down in Commission Decision 2009/964/EU.
