Webinar on Vaccine hesitancy and uptake in the EU Joint Action on Vaccination

Monday 14 February 2022, 10.00 – 11.00 CET, Brussels time

Dear colleague,

We invite you to join this webinar.

In the webinar, we will present the activities and outcomes related to vaccine hesitancy and uptake in the ongoing EU Joint Action on Vaccination. The webinar will present the specific work in and results of the different tasks in Work Package 8 (WP8) “Vaccine hesitancy and uptake. From research and practices to implementation”. The work includes a thorough investigation on the situation and the work related to vaccine hesitancy and uptake in the EU, an online network for sharing good practices about vaccine hesitancy and uptake and a social media monitoring platform. The aim of these work is to support the different actors in their efforts with vaccine hesitancy and uptake related issues.

Register to the event by following this [link](#).

Once registered, you will receive the link and the registration ID to join the webinar on Monday 14 February 2022.

If you have any further questions, please contact sante-hpp@ec.europa.eu

We are looking forward to welcoming you online.
