Subject: FW: Study on the availability of medicinal products for human use across the EU

Importance: High

Dear Colleagues,

Please find below our responses:

1. We do not have any comments on this study report; 2. There were no new products for that permission was issued under Article 126a of Directive 2001/83/EC.

Best regards,

Virginija Žilėnaitė – Puodžiuvienė

Head of Medicines Safety and Information Unit of the State Medicines Control Agency of Lithuania
