

Luxembourg, 22 June 2022

## Inter-committee Coordination Group (ICCG) meeting

20 June 2022, Luxembourg, 13:30 – 17:30

AUDIO MEETING

### Minutes

#### 1. Welcome and apologies, approval of the agenda and declaration of interests

The Chair of the SCCS opened the meeting and welcomed the participants. One member was absent.

The agenda was adopted without changes.

The minutes of the previous meetings are published on the website: [Inter-committee coordination group - Agenda \(europa.eu\)](#)

The SCCS Chair invited participants to declare any interest regarding matters on the agenda. None of the participants declared any interest conflicting with the matters on the agenda.

#### 2. List of points discussed

##### Information from the Commission and the SCs:

- Chemicals Strategy – One Substance-One Assessment
  - The Secretariat briefed the ICCG on the news from the meetings on the “One Substance – One Assessment” strategy (1S1A). ‘Better use of Academic Data’ is a subgroup of 1S1A. SCCS members are participating in the work of this subgroup
  - Secretariat informed of the news related to the impact assessment for the revision of the Cosmetics Regulation. Public consultation was launched, as well as survey for the stakeholders (DL 21 June).
  - Reorganisation of DG SANTE is expected in October 2022.
- SCHEER work – the Chair gave brief feedback on the last SCHEER plenary meeting
- SCCS work – the Chair highlighted SCCS issues including the resignation of member Berit Granum (after June plenary)

##### Exchange of information on working procedures and activities of the Committees

- The SCCS/SCHEER Chairs gave brief feedback on the new mandates and current work of both Committees, respectively
- The ICCG members discussed two issues including the application of the SCHEER WoE approach to recent Opinions and the development of default mixture assessment factor (MAF) approach.
- Discussion on the participation in the ONTOX project, one of the EU funded projects that is part of ASPIS ONTOX focusses on probabilistic risk assessment of chemicals to protect human health and environment ([Home | ASPIS Cluster \(aspis-cluster.com\)](#)).

**3. Date of the next meeting in 2022**
