**MS:** Verification of the preliminary list of NAPs for review;

**MS:** Indication of a national contact point(s).

## Annex 1 – Preliminary List of NAPs

Information publicly available  
on the Member States' NAP

Comments / points for  
clarification

Member State	Implementation on year/duration	National Action Plans <sup>2</sup>	Additional information <i>(Please provide any additional update/information. E.g. ...)</i> <small>- For section 1.5.1 of the review tool, please see chapter V if this operational plan: <a href="http://www.planX.11">http://www.planX.11</a>)</small>
Austria	2018	<a href="#">NAP for AMR</a>	Plan published in January 2018. End date not clear.
Belgium	2020-2024	<a href="#">fr-draft_amr_one_health_national_plan_cp.pdf (belgium.be)</a>	Public consultation on draft NAP ongoing (until 10 <sup>th</sup> July 2021)
Bulgaria	2017-2021	<a href="https://ncipd.org/images/UserFiles/File/Antibiotici/National-Programme-on-AMR-Bulgaria-2016-1_BG.pdf">https://ncipd.org/images/UserFiles/File/Antibiotici/National-Programme-on-AMR-Bulgaria-2016-1_BG.pdf</a>	Current status of NAP development unclear. Link to “Project of a national program for rational use of antibiotics and supervision of the antibiotic resistance 2017-2021”; however it is not clear if the document is a NAP and if it is finalised and approved or a draft under consultation. Also, the program’s lifespan coming to an end.

## Documents to be provided for the review

- **Type of documents:** The **National Action Plan** (e.g., strategic plans, operational plans and other **core documents** that are part of the NAP)

*(To be checked against the Review Tool).*

**31 August 2021!!**

- **Versions:** Most up-to-date NAPs. As a reference, please consider the NAPs **applicable on the 1 September 2021**.

*(Exceptionally final documents i.e., pending endorsement).*

# How to submit the information on the NAP?
