Evidence into practice: action on health inequalities

6th December 2018 / Renaissance Brussels Hotel

The European Commission supports actions to address health inequalities:

- 1) Between member states
- 2) Within member states

The area is covered by a European Commission communication 'Solidarity in Health: Health Inequalities in the EU' published in October 2009.

From Equity Action, to HEPP, to Joint Action on Health Equity in Europe

## Final Conference

#HEPP

Evidence into practice: action on health inequalities

6th December 2018 / Renaissance Brussels Hotel

### Health Inequalities

1. A social justice issue – no-one left behind
2. An issue for productive workforce
3. Make the most difference where there is the most opportunity.

Pay attention to health inequalities (social gradient, excluded groups, deprived areas)
