**Subject:** Strategic approach to pollution of water by pharmaceutical substances: feedback from EU workshop 11/09/2014

**Agenda item 3**

---

On 11 September 2014, a workshop organised by the Commission (DG ENV&SANCO) on the development of a strategic approach to pollution of water by pharmaceutical substances took place.

The Commission will provide a presentation to the members of the committee indicating the state of play of the strategy to be delivered by September 2015, taking into account the study on environmental risks from medicinal products carried out for DG SANCO by BIO IS consultancy and other relevant information.
