**3. DECLARATION OF INTEREST ON MATTERS OF THE AGENDA**

No new declarations of interest were made (see minutes from the 1<sup>st</sup> WG meeting).

**4. DISCUSSION AND TASKS**

The need for additional members in the area of ecotoxicity will be discussed at the upcoming WG meeting.

The WG discussed the main points to be addressed for the environmental risk assessment and the structure of the opinion. It was decided that to avoid repetition and redundancy the ENV part would be a separate chapter of the main opinion which would include both HH and ENV parts.

Tasks were attributed to the members. All contributions would be sent to the Rapporteur who would prepare an updated draft for discussion at the following WG meeting.
