

European Commission's advisory panel on COVID-19

Agenda second preliminary meeting

Sunday 15/03/2020 at 20:00

Points for discussion (leading to possible EU recommendations)

1. Health screening at internal and external EU borders
2. Testing strategies in a situation of scarcity of tests – Who and how to test? – on the basis of recommendations from ECDC risk assessment, pages 15 to 18
3. Social behaviour measures (social distancing, school closures, etc.): hierarchy in terms of effectiveness and exit strategies
