

Luxembourg, 10 September 2021

Scientific Committee on Health, Environmental and Emerging Risks SCHEER
Working Group on electromagnetic fields (EMF)

7 September 2021, Luxembourg (audio)

Minutes

1. Welcome and apologies, approval of the agenda and declaration of interests

The Chair welcomed the participants. One apology was received.

The agenda was adopted after adding a new point.

The Chair invited participants to declare any interest regarding matters on the agenda. None of the participants declared any interest conflicting with the matters on the agenda.

2. List of points discussed

2.1. Analysis of the mandate by the Chair

The Chair of the WG gave a brief presentation on the state of play, mandate and the tasks of the group.

2.2. Allocation of tasks to the members of the WG

The Chair allocated tasks to the members of the group.

2.3. Selection of external experts from EU Database of external experts

The WG went through the list of extracted experts from the EU database of external experts with working experience on physics and EMF. This is an open living database where any scientist can apply: [Database of Experts | Public Health \(europa.eu\)](https://ec.europa.eu/evidenceaction/experts/). The Secretariat and the members of the WG did not find any suitable expert that could cover the needed expertise. The Secretariat will search now for scientists with expertise in human or animal (vertebrates) biology/toxicology. Should there not be any suitable candidate in the EU database, a call for experts will be organised.

3. Next meeting(s)

7 October 2021 (AM).
