WELCOME AND APOLOGIES

The chairman opened the meeting and welcomed the participants.

ADOPTION OF THE AGENDA

The agenda was adopted without modifications.

DECLARATION OF INTEREST ON MATTERS ON THE AGENDA

No new interests were declared.

NEEDS FOR EXPERTISE

The Secretariat informed the WG that a new external expert agreed to contribute to the WG but could not say when he would send a first contribution.

DISCUSSION ON THE DRAFT OPINION

The draft opinion based on the contributions received before the meeting was edited and a new draft was produced. The draft is nearing completion but still requires editing to remove a number of redundancies. The sections on food and veterinary applications still need to be completed. The WG appears to have a fairly clear view of what the opinion should conclude but the text still has to be drafted.
