Subject: Invitation to the Multistakeholder Event on Biosimilar Medicinal Products

Dear Stakeholders, Participants and Observers,

I would like to invite you to the Multistakeholder Event on Biosimilar Medicinal Products. The purpose of this public event is to discuss the potential of biosimilars for health systems sustainability, and education/raising awareness towards all stakeholders.

The event will be held online on **13 December 2022 from 09h30 – 16h15 CET** (Brussels time).

Participants should pre-register by [following this link](#) (please note that this is a pre-registration link and will **not** take you to the meeting itself).

Please do not hesitate to contact our organising partners at contact@euhealthsupport.eu if you have any queries.

Yours faithfully,

Sylvain GIRAUD
Head of Unit D2
